

# FREESTYLE® COMFORT™

Portable Oxygen Concentrator

## The future is here

With its ergonomic shape, the lightweight and affordable FreeStyle® Comfort™ rests against the natural curves of your body, making it comfortable to wear on the go. FAA approved for commercial air flights and equipped with user-replaceable batteries, this new oxygen therapy device allows you to extend your time away from home. And extended warranty options offer peace of mind. It's time to expect more from your portable oxygen concentrator.

## CPAP NINJA

### A LIGHTWEIGHT SOLUTION

Weighing only 5 lbs., the FreeStyle® Comfort™ can go anywhere you want to go.

Enjoy the convenience of wearing it with or without your carry bag by simply attaching the no-slip, padded shoulder strap.

### BREATHE EASY, WORRY LESS

UltraSense™, our sensitive breath detection technology, ensures oxygen is delivered to you when you need it.

User-replaceable batteries allow you to extend your time away from home and stay active with up to 4 hours of battery life.

### COMFORTABLE TO WEAR, EASY TO USE

The ergonomic, curved silhouette rests against the natural curves of your body making it more comfortable to wear when you are out and about.

An easy-to-use full-color interface will raise the bar on what you expect from your portable oxygen concentrator.
